

Join an amazing TEAM

We need everyone

We need everyone. We need you. The life of our community is totally dependent on each of us using our God-given gifts, talents and opportunities for our development and growth. We have many teams serving throughout the church that often find themselves spread too thin or see so much more that could be achieved with additional help.

So many opportunities

We believe that there is an opportunity for everyone. Something that suits the time that you can offer, the skills that you have and works with the rhythm of your life, whether the tasks regular or a one-offs

Admin gardening IT networks finance music audio visual cleaning steward security graphics photography record-keeping set-down printing catering caring visiting children youth set-up communications research DIY decorating shopping transport projects and so much more ...

Time To Serve

Time to Serve is an opportunity each Tuesday when volunteers can join us on site to help with any number of things. As part of the day we provide a cooked lunch which gives a great opportunity for us to meet one another and be joined by members of the Ministry Team.

How can I join in?

We'd love to help you join in. We believe in a **personal approach** and would love to find an opportunity that would bless and build up the community and also work well for you. Please join us in the Welcome Area (to the right of the platform) after a Sunday celebration. Alternatively contact Paul Thompspon who can arrange a conversation with one of the team or for you to join us for a Tuesday lunch.
